TALLEY RIGGINS CONSTRUCTION GROUP HIRES INDUSTRY EXECUTIVE ROBERT MARTIN

Dallas, TX, September 14, 2020 - Talley Riggins Construction Group has hired Robert Martin as project executive. In this role, Martin will focus on expanding the industrial and office divisions. Martin has 25 years' experience in the construction industry and has worked on projects in all product types ranging from 20,000 SF to 1.6 million SF.

"We have had experience with large-scale projects in the industrial and office sectors and with Robert Martin's particular expertise in these markets we can capitalize on the strong demand for more industrial space," said Doug Talley, CEO of Talley Riggins Construction. "The outlook for industrial in particular is positive as companies step-up efforts to meet the acceleration in e-commerce. Robert's ability to forge strong client relationships in this area along with his project management skills makes him a strategic addition to our team."

"Our pipeline of projects for the remainder of 2020 and into 2021 is expanding and we are tapping into our network to hire top notch professionals who bring a strong work ethic and a high level of skills to our team," said John Riggins, president of Talley Riggins Construction Group. "Robert has built an impressive career working with some of Dallas' leading construction firms. His reputation as a knowledgeable and objective construction expert precedes him. Robert is well respected among owners and trade partners throughout the construction industry and brings those valuable relationships with him to Talley Riggins."

Martin holds a bachelor's degree in construction science from Texas A&M University. He is an active member in the NAIOP North Texas Chapter.
